## OpenEnvoy guarantees ROI with the following:

### Remove duplicate receipts

Identify duplicate line items and note similar employee receipts across expense reports.

### Flag suspicious activity

Ensure your employees are only spending at approved locations. Our AI technology will verify the business category of any merchant name and flag suspicious activity.

### Catch non-compliant company purchases

Easily detect any expenses that are non-compliant with company policy to avoid reimbursement mistakes.

## About OpenEnvoy

OpenEnvoy audits every invoice before you pay, preventing billions of dollars in wasted spending. To learn more, visit **https://openenvoy.com**.
